Growing 73 percent over the past three years, it landed on the *Inc.* 5000 list for the fourth year in a row. **Best benefits:** Employees enjoy working in the 10,000-square-foot office with its Art Deco-inspired lounge complete with a 21-foot, fully stocked marble bar and gas fireplace. Westminster American Insurance pays all monthly health care premiums and half the employee deductible, contributes 4.5 percent to a 401k, gives yearly bonuses and regular raises, and has an option for a compressed work schedule with every other Friday off. Beyond that, it offers one paid community service day annually, pays education reimbursement, and has a casual environment where jeans are the normal office attire.
